Dedication Pavers are a wonderful way to remember family, friends or special times in your life.

Is there a significant someone in your life who dearly loves Devil's Lake? Maybe it was Grandpa's favorite spot in the whole wide world! Are there warm family memories that you'd like to commemorate?

You can celebrate those memories, or honor that person with a lasting memorial. Your personalized dedication paver, purchased through the Friends of Devil's Lake, will be prominently placed in the most popular area of Devil's Lake State Park. You decide what you want to say and we'll do the rest.

Upon completion, your paver will be positioned in front of the historical north shore Chateau, the hub of activity along the lakeshore.

Simply complete the information section inside this brochure and send it, along with your check to the address shown. We'll contact you when your paver has been placed in our walkway.
